Fodbold (soccer) pictures.

These are a few pictures of me playing soccer (which was one of the main reasons as to why I went on an exchange). There is a picture of the whole fodbold squad. There is also a picture of the my team right after we won Nationals.

Roomies

A few of the many pictures of my three roomies Daniella, Andrea from Iceland and Mie.

Austria

We took a school trip to Austria with all 170 students from each line. We took a week off and went skiing. The slopes weren't as great as Mt Washington, but the view was amazing.

Florida

The soccer crew went to Florida to play soccer and we lived with host families. Here are some photos of the activities we did with our host family and a picture of the whole fodbold line at a barbeque.

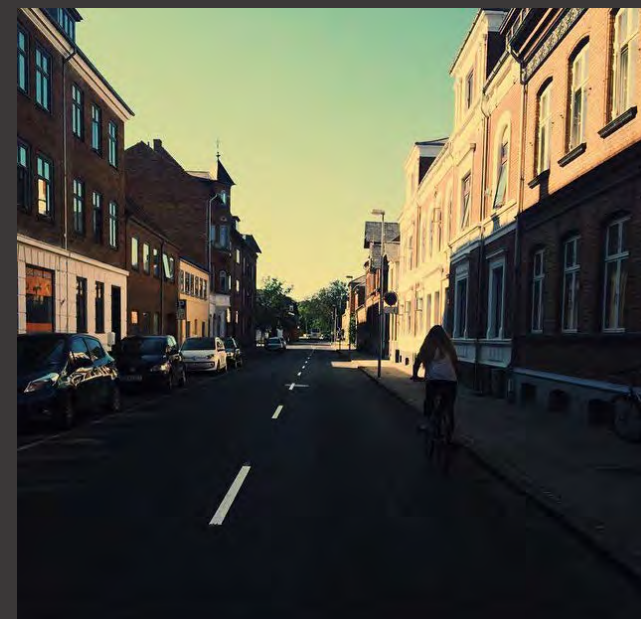

Hamburg

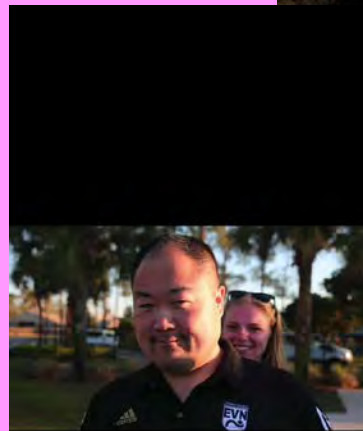

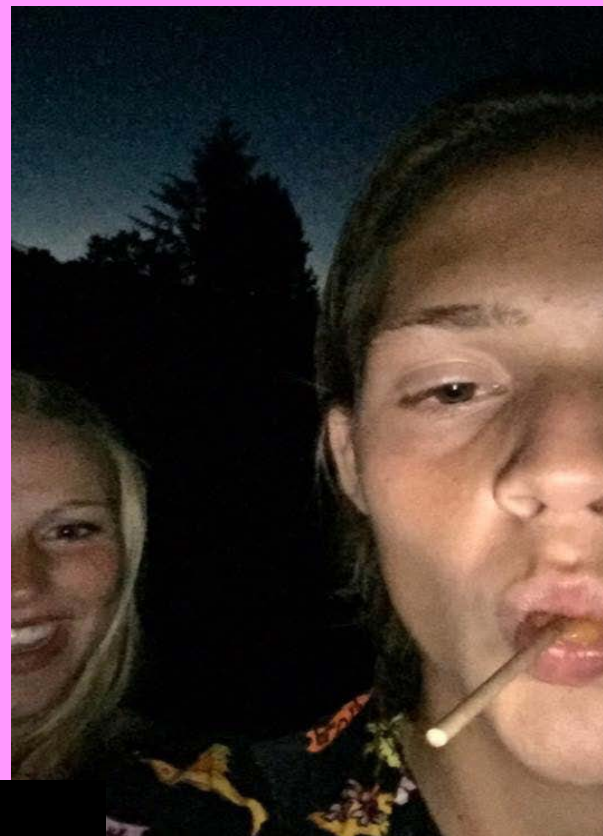

We took a day trip to Hamburg on September 27th which is coincidentally the same day as my birthday! We took the day off to watch a soccer match

Summary

This year was the best year of my life. I met so many amazing people that I will never forget. I miss everyone so much already, but I hope they will come and pay us a visit in Canada next summer. I feel like I learnt so much from this experience. Living away from home and without parents was a great learning experience. I would recommend this exchange to EVN to anyone. This last picture is a picture of the Canadian squad.
