

## Departure and Arrival for International Students to the Comox Valley

### Pre-departure

Obtain a negative Covid test 72 hours before departure to Canada

### Arrival at YVR

#### Fully Vaccinated

As of August 9, no Covid test is required upon arrival at YVR, but students need to have a quarantine plan ready to show to CBSA

#### Non- Vaccinated

- Get a Covid test upon arrival at YVR
- Have a quarantine plan ready to show to CBSA
- Receive a Day 8 at-home Covid test kit at the airport

### Arrival at Your Homestay in the Comox Valley

- No quarantine
- No further Covid test
- Integrate with the family immediately
- Wear masks for 14 days
- Keep a list of close contact

- Start the 14-day quarantine
- Do another Covid test on the 8<sup>th</sup> day of the arrival in the homestay using the test kit received at YVR
- Follow test day instructions by Purolator for pickup

Upon receiving your negative 8<sup>th</sup> day result, you can end your quarantine and start to integrate with the family

#### \*Notes:

1. To be considered fully vaccinated, your student must have received the full series of a vaccine — or combination of vaccines — accepted by the Government of Canada **at least 14 days prior to entering Canada**. Currently, those vaccines are manufactured by **Pfizer, Moderna, AstraZeneca/COVISHIELD, and Janssen (Johnson & Johnson)**.

2. Fully vaccinated students may be selected for a random on-arrival test at YVR
