COLOUR VARIATIONS

The Comox Valley Schools logo is produced in 4 different colour options, each created for a specific types of applications.

Pantone (PMS)
To only be used on printed materials, such as stationery, brochures or vehicle signage.

This is the preferred version of the mark for any single colour application, as it provides the cleanest and truest reproduction of the marks' colours.

Four Colour Process (CMYK)
To only be used on printed materials, such as stationery, brochures, colour ads or vehicle signage.

RGB
To only be used for any digital applications, such as the website, social media or PowerPoint presentation.

Black/White
To be used for any 1-colour executions including newspaper ads, internal forms and any other applications that call for a single, black execution.
