

International Student Program Comox Valley

HERE FOR YOU

Come Join us for Summer!

The Comox Valley International Student Program has been accepting students for summer adventures for over 10 years now. We have welcomed students from over 25 different countries for our summer programs during that time. Whether you are looking for a Program to refine your English skills or enjoy the fantastic recreational opportunities available in a beautiful west coast climate, we have a Program to suit your needs here in the Comox Valley!

Nestled between the majestic Beaufort Mountain range and the pristine waters of the Pacific Ocean, the Comox Valley is home to some of the best summer recreation in Canada. From boating and sailing in Desolation Sound to golfing on one of many championship courses that are based in the Comox Valley, the Comox Valley is also quickly becoming renowned for world class mountain biking in Cumberland and on the hills of Mt. Washington ski resort, which operates all through the summer months.

Students of all English levels are welcome, and our Program is organized and led every day by a BC Certified teacher who works in the Comox Valley.

Come join us in the Comox Valley for a summer of unforgettable memories, meeting new friends, and adventure in the sun!

Student Summer Program

Our summer program includes a daily language lesson, tailored to the needs of the students in the group as well as daily recreational activities that include:

- Whale watching
- Surfing
- Paddle boarding
- Kayaking
- Hiking
- Trips to Vancouver and Victoria
- Swimming, Volleyball and other summer sports
